

Ettela'at, October 3, 1981

Referring to the grouplets' operations, Hashemi Rafsanjani, speaker of the Islamic parliament and Tehran's acting Friday prayer leader, said in his first sermon:

“Divine law defines four sentences for them which must be carried out:

- 1- Kill them,
- 2- Hang them,
- 3- Cut off their arms and legs,
- 4- Banish them...”

“Had we caught and executed 200 of them right after the revolution, they would not have multiplied so much. If we don't deal decisively with [Mojahedin] armed grouplet and agents pf America and the Soviet Union today, in three years we will have to execute thousands of them instead of one thousand now...”
